## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Note.** Terms in **bold** are defined in the *Glossary* of the Instructions for Form 990.

### Purpose of Schedule

Schedule B (Form 990, 990-EZ, or 990-PF) is used to provide information on contributions the organization reported on:

- Form 990-PF, Return of Private Foundation, line 1;
- Form 990, Return of Organization Exempt from Income Tax, Part VIII, *Statement of Revenue*, line 1; or
- Form 990-EZ, Short Form Return of Organization Exempt from Income Tax, line 1.

### Who Must File

Every organization must complete and attach Schedule B to their Form 990, 990-EZ, or 990-PF, unless it certifies that it does not meet the filing requirements of this schedule by answering "No" on Form 990, Part IV, *Checklist of Required Schedules*, line 2; on Form 990-EZ, line H; or on Form 990-PF, line 2. See the separate instructions for these lines on those forms.

If an organization is not required to file Form 990, 990-EZ, or 990-PF but chooses to do so, it must file a complete return and provide all of the information requested, including the required schedules.

### Accounting Method

When completing Schedule B (Form 990, 990-EZ, or 990-PF), the organization must use the same accounting method it checked on Form 990, Part XI, *Financial Statements and Reporting*, line 1; Form 990-EZ, line G; or Form 990-PF, line J.

### Public Inspection

Schedule B is:

- Open to public inspection for an organization that files Form 990-PF,
- Open to public inspection for a section 527 political organization that files Form 990 or 990-EZ, or
- For all other organizations that file Form 990 or 990-EZ, the names and addresses of contributors are not required to be made available for public inspection. All other information, including the amount of contributions, the description of **noncash contributions**, and any other information, is required to be made available for public inspection unless it clearly identifies the contributor.

If an organization files a copy of Form 990 or 990-EZ, and attachments, with any state, it should not include its Schedule B (Form 990, 990-EZ, or 990-PF) in the attachments for the state, unless a schedule of contributors is specifically required by the state. States that do not require the information might inadvertently make the schedule available for public inspection along with the rest of the Form 990 or 990-EZ.

See the instructions for Form 990, 990-EZ, or 990-PF for information on telephone assistance and the public inspection rules for these forms and their attachments.

## Contributors to be Listed on Part I

A *contributor* (person) includes individuals, fiduciaries, partnerships, corporations, associations, trusts, and exempt organizations. In addition, section 509(a)(2), 170(b)(1)(A)(iv), and 170(b)(1)(A)(vi) organizations must also report **governmental units** as contributors.

### Contributions

*Contributions* reportable in Schedule B (Form 990, 990-EZ, or 990-PF) are contributions, grants, bequests, devises, and gifts of money or property, whether or not for charitable purposes. For example, political contributions to section 527 political organizations are included. Contributions do not include fees for the performance of services. See the instructions for Form 990, Part VIII, line 1, for a fuller discussion of what constitutes contributions.

### General Rule

Unless the organization is covered by one of the *Special Rules* below, it must list in Part I every contributor who, during the year, gave the organization directly or indirectly, money, **securities**, or any other type of property aggregating \$5,000 or more for the organization's **tax year**. In determining the aggregate amount, separate and independent gifts of less than \$1,000 can be disregarded.

### Special Rules

**Section 501(c)(3) organizations that file Form 990 or 990-EZ.** For an organization described in section 501(c)(3) that meets the 33<sup>1</sup>/<sub>3</sub> % support test of the regulations under sections 509(a)(1) and 170(b)(1)(A)(vi), and not just the 10% support test (whether or not the organization is otherwise described in section 170(b)(1)(A)), list in Part I only those contributors whose contribution of \$5,000 or more during the tax year is greater than 2% of the amount reported on Form 990, Part VIII, line 1h or Form 990-EZ, line 1.

**Example.** A section 501(c)(3) organization, of the type described above, reported \$700,000 in total contributions, gifts, grants, and similar amounts received on Form 990, Part VIII, line 1h. The organization is only required to list in Parts I and II of its Schedule B each person who contributed more than the greater of \$5,000 or 2% of \$700,000 (\$14,000) during the tax year. Thus, a contributor who gave a total of \$11,000 would not be reported in Parts I and II for this section 501(c)(3) organization. Even though the \$11,000 contribution to the organization was greater than \$5,000, it did not exceed \$14,000.

### Section 501(c)(7), (8), or (10) organizations.

For contributions to these social and recreational clubs, fraternal beneficiary and domestic fraternal societies, orders, or associations that were not for an exclusively religious, charitable, etc., purpose, list in Part I each contributor who contributed \$5,000 or more during the tax year, as described under the *General Rule*, earlier.

For contributions to a section 501(c)(7), (8), or (10) organization received for use exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals (sections 170(c)(4), 2055(a)(3), or 2522(a)(3)), list in Part I each contributor whose aggregate contributions for an exclusively religious, charitable, etc., purpose were more than \$1,000 during the tax year. To determine the more-than-\$1,000 amount, total all of a contributor's gifts for the tax year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that listed an exclusively religious, charitable, etc., contribution in Part I or II must also complete Part III to provide further information on such contributions of more than \$1,000 during the tax year, and show the total amount received from such contributions that were for \$1,000 or less during the tax year.

However, if a section 501(c)(7), (8), or (10) organization did not receive aggregate contributions of more than \$1,000 from a single contributor during the tax year for exclusively religious, charitable, etc., purposes, and consequently was not required to complete Parts I through III with respect to these contributions, it need only check the third *Special Rules* box on the front of Schedule B and enter, in the space provided, the total contributions it received during the tax year for an exclusively religious, charitable, etc., purpose.

## Specific Instructions

**Note.** Do not attach substitutes for Schedule B. Parts I, II, and III of Schedule B may be duplicated as needed to provide adequate space for listing all contributors. Number each page of each part.

**Part I.** In column (a), identify the first contributor listed as No. 1 and the second contributor as No. 2, etc. Number consecutively. In column (b), enter the contributor's name, address, and ZIP code. Identify a donor as "anonymous" only if the organization does not know the donor's identity. In column (c), enter the amount of aggregate contributions for the **tax year** for the contributor listed.

In column (d), check the type of contribution. Check all that apply for the contributor listed. If a *cash contribution* came directly from a contributor (other than through payroll deduction), check the "Person" box. A cash contribution includes contributions paid by cash, credit card, check, money order, electronic fund or wire transfer, and other charges against funds on deposit at a financial institution.

If an **employee's** cash contribution was forwarded by an employer (indirect contribution), check the "Payroll" box. If an employer withholds contributions from employees' pay and periodically gives them to the organization, report only the employer's name and address and the total amount given unless you know that a particular employee gave enough to be listed separately.

Check the "noncash" box for any contribution of property other than cash during the tax year, and complete Part II of this schedule.

For a section 527 organization that files a Form 8871, Political Organization Notice of Section 527 Status, the names and addresses of contributors that are not reported on Form 8872, Political Organization Report of Contributions and

Expenditures do not need to be reported in Part I if the organization paid the amount specified by section 527(j)(1). In this case, enter "Pd. 527(j)(1)" in column (b) instead of a name, address, and zip code; but you must enter the amount of contributions in column (c).

**Part II.** In column (a), show the number that corresponds to the contributor's number in Part I. In column (b), describe the **noncash contribution** received by the organization during the tax year. Note the public inspection rules discussed earlier.

In columns (c) and (d), report property with readily determinable market value (for example, marked quotations for securities) by listing its **fair market value (FMV)**. If the organization immediately sells **securities** contributed to the organization (including through a broker or agent), the contribution still must be reported as a gift of property (rather than cash) in the amount of the net proceeds plus the broker's fees and expenses. See the instructions to Form 990, Part VIII, line 1g, which provide an example to illustrate this point. If the property is not immediately sold, measure market value of marketable securities registered and listed on a recognized securities exchange by the average of the highest and lowest quoted selling prices (or the average between the *bona fide* bid and asked prices) on the contribution date. See Regulations section 20.2031-2 to determine the value of contributed stocks and bonds. When FMV cannot be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution subject to an outstanding debt, subtract the debt from the property's FMV. Enter the date the property was received by the organization, if the donor has fully given up use and enjoyment of the property at that time.

For more information on noncash contributions, see the instructions for Schedule M (Form 990), Noncash Contributions.

If the organization received a partially completed Form 8283, Noncash Charitable Contributions, from a donor, complete it and return it so the donor can get a charitable contribution deduction. Keep a copy for your records.

Original (first) and successor donee (recipient) organizations must file Form 8282, Donee Information Return, if they sell, exchange, consume, or otherwise dispose of (with or without consideration) charitable deduction property (property other than money or certain publicly traded securities) within 3 years after the date the original donee received the property.

**Part III.** Section 501(c)(7), (8), or (10) organizations that received contributions for use exclusively for religious, charitable, etc. purposes during the tax year must complete Parts I through III for each person whose gifts totaled more than \$1,000 during the tax year. Show also, in the heading of Part III, total gifts to these organizations that were \$1,000 or less for the tax year and were for exclusively religious, charitable, etc., purposes. Complete this information only on the first Part III page.

If an amount is set aside for an exclusively religious, charitable, etc., purpose, show in column (d) how the amount is held (for example, whether it is commingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.
