

VETIVER HANDICRAFT

In September 2016, as part of the community development program, **Dr. Aloisio Rodrigues Pereira, Chairman of DEFLOR BIOENGENHARIA** sponsored a workshop to train local villagers to make handicraft using vetiver leaves.

Dr.

The workshop was conducted by the Venezuelan artisan **Marbella Rivas Hernández**, under the supervision of **Rafael Luque M. Vetiver Antierosión, Venezuela.**

The event was held at the beautiful **HOTEL FAZENDA DA CHACARA, Santana dos Montes, state of Minas Gerais, Brazil**

CURSO DE ARTESANATO DE VETIVER

LOCAL: Hotel Fazenda da Chácara

**Dr. Aloisio Pereira, Ing. Rafael Luque
and Ms Marbella Rivas Hernández**
